

### **Message From Our Director**

What an amazing gift it is to be a part of Open Door Outreach Center. We feed, uplift and empower families struggling to provide for their children. We help them to have clothing, hugs, support and food including fresh produce to raise healthy children. Over 2698 children were fed last year.

Miracles abound as we watch our neighbors come in sometimes for just a couple of months to gain food support to get through a tough economic time and our hearts warm as we see familiar seniors 982 fed last year that smile as they fill their shopping carts with soups, bread, produce and food for themselves that they would not otherwise afford on their tight budgets.

This is a grass roots, community supported, volunteer operated non profit, whew! It is a big blessing to 8,241 people who were fed last year using over 193,359 lbs of food which is 160,000 meals!

Thank you The Lakes Area Community. Thank you for donating food, clothing, household items, funds and especially your time and love. Together, right here in our community we end hunger.

Thank you,

Karen Myers
